

# **THE HANDBAG MAKING PROJECT**

**The Project run by Mardin Public Education  
Center (Mardin Hem) and Mardin Pobabtion  
Center**

# THE PROJECT SOURCE

- The Ministry of Turkish Development
- Social Assistance Programme

# PROJECT OUTLINE -2

- To assist the prisoners to make money through rehabilitation and social responsible workshops
- To be a part of contribution in terms of reaching the disadvantaged groups in the region.
- To push the prisoners to get the mind of cause and affects ,action reaction and clauses and rules which resulted in awards in their life

# THE PROJECT OUTLINE

- Qualify the Prisoners between 18-30 ages with a handicraft skills
- Encourage the prisoners to be aware of their capacity building
- To make them feel to be a part of society in production and contribution level.

# A VIEW FROM THE HANDBAG MAKING WORKSHOP

# SOME PRODUCTS /HANDBAGS

# PROJECT FEEDBACK

- Prisoners behaviours regarding with working in teamworks/groups are upgrading
- The Prisoners are getting the responsibility to organise the self volunteer works
- The Prisoners get the pockets money to live and being independent

# PROJECT FEEDBACK-2

- The Prisoners are getting oriented in getting involved in social assistance projects/programmes.
- The Prisoners get self esteem as well as respecting their instructors and coordinators
- And as a result their being showing up the crimes is decreasing in a large scale.
